

Sponsorship Renewals for 2025-26

Spring is the season of renewal and new growth. Our 2025-2026 school year registrations are now open.

Have you heard? Hope for Kidz successfully sponsored 3,040 children for the 2024-25 school year. And we could not have done that without YOU!

We were also able to provide over 14,700 hot lunches, every school day. Praise GOD!

With your partnership, prayers and support, we hope to see many more smiles, just like this one.

Help share the light of Jesus, the comfort of food, and the Hope for a better future.

Please join us in making 2025-26 another fabulous school year!
